REPORT TO THE COMMUNITY

LETTER FROM OUR DIRECTOR

As we conclude our 16th year in October 2018, the Community Foundation for Cloud County (CFCC) is pleased to recognize the establishment of seven new funds in the community foundation. These include five designated funds: the **M. Lavon and Jack R. Brosseau Endowment Fund, Teens for Christ Ministry Fund, Concordia Wesleyan Church Benevolent Fund, Doug Moore Wrestling Scholarship Fund**, and the **Freda I. Radcliffe Fund**, and two organization funds: **The Baptist Church of Concordia Fund** and the **Park Villa Nursing Home Fund**.

In fiscal year ending June 30, 2018, over \$556,000 of new monies have been invested in the CFCC, including \$100,000 from the Dane G. Hansen Foundation Community Grant Fund and \$95,000 from the one-day Match Madness promotion, which had 31 funds participating. The community's investment in the 60 funds in the foundation as of June 30, 2018, totaled over \$7,350,000. Forty-one existing funds received additional investments during this last year.

Forty-six funds participated in awarding the grants this fiscal year totaling over \$524,000. Since the inception of the Foundation, it has awarded **1,011** grants and scholarships totaling over \$2,762,000.

Thanks to all of the contributors, fund holders, grant applicants, board members and all who support our foundation's mission.

THANK YOU!

ROBERT L. STIEMEL,
EXECUTIVE DIRECTOR

COMMUNITY IMPACT

Refrigerator Rescue

The Laboratory Department at the **Cloud County Health Center (CCHC)** uses three refrigerators to safely house microbiology and chemistry supplies and blood bank units.

When staff discovered that one the refrigerators was no longer working, they were forced to squeeze these vital lab supplies into their limited remaining storage space. The lab was now without a backup refrigerator, so if the blood bank unit failed, the hospital was at risk of losing blood units. Because the refrigerator failure was an unexpected occurrence, it was not in the hospital's annual budget.

Thanks to a grant from the Kansas Health Foundation Fund at the community foundation, the health center was able to purchase a replacement. "A full service lab is vital to the continuation of medical services provided to the community," said Pam Cambell, who wrote the grant. "With the purchase of the lab refrigerator, our community can be assured that CCHC is

Tennille Steinbrock, lab director, and the grant-funded lab refrigerator.

in full compliance with state regulations. We are very grateful to Kansas Health Foundation Fund for Cloud County and to the Community Foundation for Cloud County for awarding this grant to CCHC."

"We are very grateful to Kansas Health Foundation Fund for Cloud County and to the Community Foundation for Cloud County for awarding this grant to CCHC." Pam Cambell, grantee

The Season of Giving

Thirteen nonprofit organizations in Cloud County raised funds by participating in this year's Christmas Tree Lane event held in December. For a second year, the community foundation provided grant funds to purchase trees for each nonprofit to decorate and auction off at the event, which was held at the fairgrounds in Concordia. First organized by the Sisters of St. Joseph several years ago, this event has been coordinated by **NCK CASA's** fundraising committee since 2016.

Band in Branson

A community foundation grant helped the **Clifton-Clyde High School Band** travel to Missouri, and perform at Branson Live during Spring Break 2018. The trip gave students the opportunity to perform live in a professional environment, experience live theatre performances and build camaraderie among bandmates. They also stopped at KU for a lesson with KU music professors.

Bacon, Eggs & More!

Grants from the community foundation supported **Concordia Wesleyan Church's** 2018 Community Easter Egg Hunt. This free family event, which includes over 20,000 eggs, drew over 500 area children this year. Kids (and adults) enjoyed the first year of pig races on "Bacon Speedway," which was made possible by the grant support. The church received many positive comments about the event. One comment card read, "This is a wonderful event that you put on every year!"

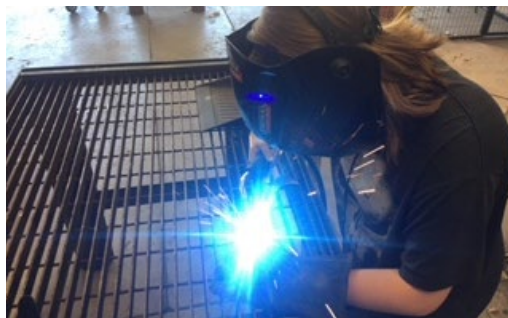

All Because of One Man's Dream

John Gisselbeck had a dream for **Miltonvale City Park**. He envisioned a park where kids and adults would come together to enjoy the outdoors and the playground. Throughout his life, he spearheaded numerous park improvement projects, including new lights and restrooms.

The Miltonvale community embraced this vision, and, with the help of a grant from the Dane G. Hansen Community Grant Fund at the community foundation, was able to restore the park's fountain in John's memory. The fountain now serves as a focal point in the park and provides a place for people to retreat, relax, reflect and escape the business of life, even if only for a moment.

Additionally, grant funding helped Miltonvale residents implement "Movies in the Park," which shows movies for all ages free of charge. Over 75 people attended the first movie, and over 100 attended the second, including everyone from babies to 80-year-olds to out-of-town guests!

"John Gisselbeck was such a huge advocate for the park throughout his life, and to have the fountain memorial come together in his memory was perfect," said Tammera Marrs, grantee. "Thank you to the Community Foundation for Cloud County for playing such a huge part in helping make this project possible and once again drawing people from other counties into Cloud County."

Welding the Future

Concordia Public Schools continue to grow their high school career and technical education programs, but a lack of school funding left them with broken and outdated welding equipment. A grant from the community foundation allowed the school to upgrade their welding classroom with six new welders and three new helmets. Now, students spend less time dealing with equipment problems and more time focusing on their projects, which include feeders, fencing, cattle guards, storage racks and trailers. The district aims to prepare students with quality training so they can go on to fill the many open welding positions in agriculture and manufacturing across north central Kansas.

Fresh off the Grill

The original 42-year old cooking range at **Clyde's Park Villa Nursing Home** was on its last leg. With two broken burners, spotty heat and parts no longer available, it was time for something new! A grant from the community foundation's Dane G. Hansen Community Grant Fund allowed the facility to purchase and install a new six-burner range in September. Now residents can request and receive short-order items such as pancakes, bacon and eggs, hamburgers and grilled cheese sandwiches. Dinner fresh off the grill!

Arbor Day Celebration

In April, the **Concordia Rotary and Lions Clubs** joined forces to plant two new trees at **City Park**. Several trees in the park had recently been hit by disease, so a Seize the Moment grant helped purchase two large replacement trees. This collaborative volunteer effort will provide shade in the park for years to come!

Match Madness Breaks Giving Records!

On Tuesday, March 27, the community foundation's Match Madness (a 24-hour giving day) raised over \$65,000 for area nonprofits. This was the most successful giving day to date, as contributions totaled \$29,000 more than last year. Donors contributed a record-breaking total of \$65,188.50 to the endowed funds of 31 area nonprofit organizations and community funds. The foundation matched all gifts proportionally from a pool of \$30,000. All donated and matching funds went into the endowed funds of participating charities, which are housed at the community foundation.

Dane G. Hansen Match Month Campaign

Through a month-long gift matching initiative offered by the Dane G. Hansen Foundation, the community foundation was able to raise over \$54,000 for community grants and operations in 2018. THANK YOU!

Here's how it works: During Match Month, donors make gifts to the community foundation to support community grants. These gifts are then matched at a ratio of 1:1.5 by the Hansen Foundation. These matching dollars support community grants and operations.

Strategic Doing

An initiative of the Dane G. Hansen Foundation and the Community Foundation for Cloud County, Strategic Doing guides Cloud County residents through the process of prioritizing, planning and implementing sustainable community improvement projects. Projects and ideas that develop from these sessions will be eligible to apply for funding from Dane G. Hansen Foundation Community Grant Fund at the Community Foundation for Cloud County or directly to the Dane G. Hansen Foundation.

Through a series of open community meetings, participants brainstormed about the strengths, weaknesses, threats and opportunities of the community, then came up with project ideas. Subsequent meetings included prioritizing project ideas, forming working groups and moving projects forward.

Several area Strategic Doing groups have already applied for grant funding or are wrapping up their projects.

Projects include:

- A partnership between Concordia High School and 4-H youth to bring trapshooting to the high school. A grant from CFCC helped build the trapshooting range.
- Fablab-makers space for business incubators and entrepreneurs. A grant helped purchase some of the equipment for the space.
- Broadway Plaza upgrades. A grant helped purchase additional tables and chairs for the plaza.
- Youth Activities Center in Glasco. A grant provided seed money for the new program and facility.

Work is also underway on new projects that were recently identified this summer, including a Shakespeare Festival and a nonprofit art gallery.

2018 DONORS

Large or small, every donation contributes to the foundation's ability to serve the community. We make every effort to include all gifts made during this time frame. If you believe there is an error, or need to make a correction, please contact us.

INDIVIDUALS & FAMILIES

We make it a priority to understand donors' unique charitable goals and help them create a lasting charitable legacy.

Donors who establish a fund receive:

- ▶ **Grants administration**, which includes due diligence and payment distribution to recipient organizations.
- ▶ **Asset management** for long-term sustainability of funds.
- ▶ **Estate planning services**, in partnership with professional advisors, to help donors meet their charitable objectives.

NONPROFIT ORGANIZATIONS

Through the following services, we collaborate with area nonprofits to meet community needs and enhance our shared quality of life.

We provide nonprofits with:

- ▶ **Grant funding** for new and continuing projects and programs.
- ▶ **Organization fund management** for long-term sustainability.
- ▶ **Training and resources** on grant writing, planned giving, endowment building and more.

PROFESSIONAL ADVISORS

We work closely with professional advisors to help guide their clients through charitable giving today and after their lifetime.

We help professional advisors:

- ▶ **Identify** clients' giving interests.
- ▶ **Create** giving plans that fit clients' goals.
- ▶ **Inform** clients about community needs.
- ▶ **Facilitate** a variety of charitable gifts.

POWER OF **ENDOWMENT**

Endowed funds are an investment in the community's future and a powerful way to create a charitable legacy! Here is an example of how an endowed gift grows and gives over time:

A Gift Today...

Original Endowed Gift: \$10,000

In 15 years...

Endowed Fund Balance: \$15,500

Cumulative Grants: \$10,000

In 25 years...

Endowed Fund Balance: \$18,600

Cumulative Grants: \$19,000

In 50 years...

Endowed Fund Balance: \$51,000

Cumulative Grants: \$35,000

**Calculated on a 5% annual payout, 1% administrative fee and 8.5% rate of return.*

HOW A GIFT BECOMES A FUND

Giving is easy when you have the right partner! When you open a fund at the community foundation, you gain access to custom services, professional staff and other resources designed to help you achieve your charitable goals and impact your community!

Contact the community foundation to learn more!

1

DECIDE WHEN TO GIVE.

Give now, in the future or both! Many funds are opened with a current gift, then grow through gifts from a will or estate plan.

INDIVIDUAL
OR FAMILY

BUSINESS OR
CORPORATION

2

DECIDE WHAT TO GIVE.

Most funds are established with gifts of cash or stock, however, the foundation can accept a variety of assets, including:

CASH, CHECK
OR CREDIT CARDS

STOCKS, BONDS
& MUTUAL FUNDS

401K & IRA
ACCOUNTS

GRAIN & LIVESTOCK

LIFE INSURANCE

REAL ESTATE

CHOOSE A FUND TYPE.

- ▶ Foundation staff can help donors **select a fund type** to best achieve their charitable goals. Donors also **name the new fund!**
- ▶ Donor advised funds are a popular option, as donors have the ability to **recommend grants** from their fund to charities and pass their fund to **future generations!** These can be started by individuals, families, companies or by the rollover from a private foundation.

DONORS RECOMMEND GRANTS FROM THE FUND.

Donors make grants to causes that matter most to them, such as:

CHILDREN
& YOUTH

HEALTH &
HUMAN SERVICES

COMMUNITY
DEVELOPMENT

SPIRITUALITY

ARTS & CULTURE

STUDENTS
& EDUCATION

WE HANDLE DUE DILIGENCE:

The foundation ensures viability, compliance and qualifications of recommended grant recipients.

CHECKS ISSUED:

The foundation can issue a check in any amount (\$250 or more) to any qualifying organization in the United States.

TRANSFER OF **WEALTH**

You've enjoyed a good life in a great community. What will you do to ensure future generations of Cloud County residents can say the same?

Do you know anyone who was born and raised in Cloud County but has since left for a bigger city? Chances are, when this person's parents pass away, the money in their family's estate (which was built in our community) will leave this area forever. By designating just **5% of our estates** to our hometown needs, we could create **permanent funding** to support our schools, hospitals, parks, churches, nonprofits, libraries and so much more! It just takes a little bit of planning.

According to the Kansas Association of Community Foundations:

In Cloud County,
\$306 million
will pass from
one generation to
the next by **2029**.

5% of that, or
\$15.3 million
could be preserved
in a foundation
endowment.

This would create
\$688,500
in annual grants
to benefit our
community.

PLANNED GIVING

Planning your charitable legacy is simpler than you may think. Donors often establish charitable funds through deferred-giving arrangements—gifts that are planned today and realized upon the donor's passing. There are several ways to support the foundation with planned giving:

Charitable Bequests:

In your will or trust, you direct all or a portion of your estate, including certain money or property, to be transferred to the community foundation.

Life Insurance:

The foundation can be named as the irrevocable beneficiary of your life insurance policy. You can give a paid-up policy or continue to pay premiums.

Charitable Trusts:

Although the foundation does not serve as a trustee for charitable trusts, you can work with your professional advisor to set one up and support the foundation.

Need help with your estate plan?

Professional estate planning services are offered at **no charge** through a partnership with estate planning attorney John Griffin of Stewardship Counseling, LLC.

Once a month, John travels to Salina and provides comprehensive guidance to individuals and families who want to create or update estate plans that minimize potential gift, income and estate taxes. He helps develop the plan; then families work with their local attorney to finalize and file their documents.

To schedule an appointment, call the foundation at 785-823-1800.

HOW TO GET INVOLVED

The great part about a community foundation is that anyone can participate in a variety of ways, making this truly a community effort!

1 Establish a fund to support your favorite charitable cause.

2 Donate to existing funds that match your charitable interests.

3 Contribute to the Cloud County Administrative Fund to support the community foundation's operations.
