# Our Mission

is to help people invest in meaningful ways to make a difference in the community by building permanent endowment funds and meeting charitable community needs.

## DIRECTOR'S LETTER

Cloud County, your strength and commitment to a better Cloud County community astounds me. As we conclude our 18th year in October 2020, the Community Foundation for Cloud County (CFCC) is pleased to recognize the establishment of three new funds in the CFCC. These include two designated funds, the American Legion Avenue of Flags Fund, and the Dana J. Nelson Memorial Scholarship Fund and a provisional fund, the Full Court Press for Progress Fund.

In fiscal year ending June 30, 2020, (the COVID-19 Year) over \$510,000 of new monies have been invested in the CFCC. This community's investment in the 67 funds in the foundation as of June 30, 2020 totaled over \$8,445,000. Forty-eight of the existing funds received additional contributions during the year.

Your past investments in the CFCC provided us the opportunity to make annual charitable contributions from 56 funds totaling over \$500,000 to Cloud County charitable efforts and nonprofits, once again. These grants included 16 special procedure COVID-19 grants to County charities totaling over \$61,950.

Whatever your passion, we'll help you connect your gifts with what our community needs. And that starts with YOU. Check out how your passion creates impact today and transforms tomorrow through the Community Foundation for Cloud County.

Thanks to all of the contributors, fund holders, grant applicants, board members and all who support our foundation's mission to connect your gifts to our community needs.

THANK YOU!

Robert L. Steimel  
Executive Director

## 2019 MATCH MONTH SUCCESS

Through a month-long gift matching initiative in November, the community foundation raised over \$100,000 for community grants and operations. During Match Month, donors make gifts to the community foundation to support community grants. These gifts are then matched at 150% by the Dane G. Hansen Foundation. Over the last four years Match Month has raised \$302,979

## NEW AG FACILITY FOR CLOUD COUNTY CC

The Cloud County Community College (CCCC) Agriculture Facility began as a small 20' x 30' pole shed. As the program has grown, so have the needs and possibilities for what a bigger facility could offer for the program. The Community Foundation for Cloud County in collaboration with other community entities awarded the program funding for a new facility. This new 80' x 100' building will help CCCC meet the needs of its growing agriculture program, providing space for the precision ag equipment and livestock as well as allow for community and business outreach opportunities.

"We are building a space with the potential to be so much more, and meet the needs of not only the college, but the community," said grantee Heather Gennette. "We envision events and shows of all kinds that people from all over can attend." This new space will provide an indoor environment for students to experience hands-on learning through the college's agriculture program, a space for local high school and youth programs and enhance enrichment opportunities for local business and the community.

## TOUCH-A-TRUCK WITH BROADWAY

In September of 2019, The Broadway Plaza hosted a new event called Touch-A-Truck. The committee collaborated with local businesses to provide unique specialty equipment for all ages to touch, climb in and learn about. One goal of this event was also to entice a love of reading for kids by offering a free book to the first 50 families that attended the event. With the support of a grant from the community foundation, the first 50 families received a special Usborne book, "Big Book of Big Trucks."

"I am blown away by how successful the event was," said grantee Stacey Smith. "With the funding that we received for the books, it encouraged many members of the community to show up early. They didn't just come for the book, they stayed and checked out all the activities, danced with Jammin' Randy, and honked every horn!"

## CONCORDIA "QUARANTEAM"

While most activities look a little different during these times, bringing a "norm" to youth also brings a positive impact to the community. With losing spring baseball, Coach Brandt Hutchison and contributing community members saw a need to bring summer baseball back to Concordia and area youth.

The Community Foundation for Cloud County awarded funds to make this a reality. Funds were used for insurance, umpires and baseball supplies. "It was a great opportunity for our young men to play games at home. We had great attendance where parents, grandparents, friends, and community members came out to watch the boys play a sport they didn't get the opportunity to play in the spring," said grantee Amy Lange.

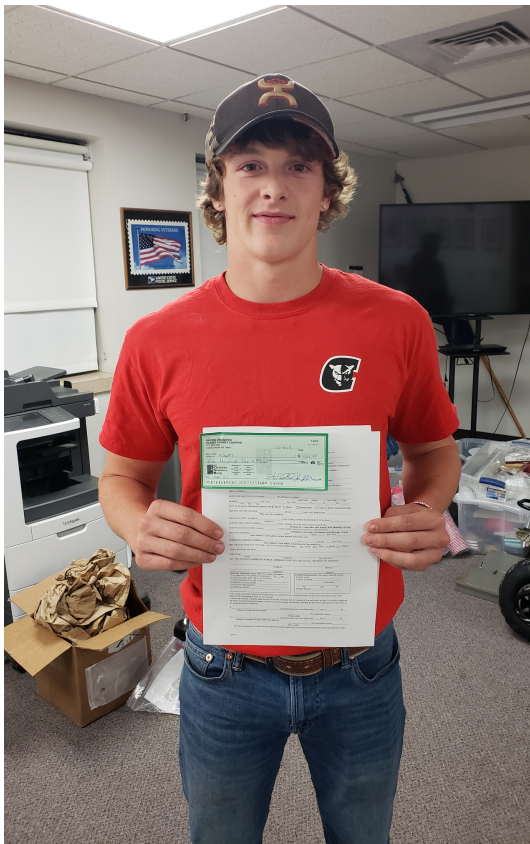

This funding made it possible for youth to remain active while being able to be around friends and coaches, who are all a part of a support system. "Without funding from the community foundation, we wouldn't have been able to play because the team didn't have a sponsor," said Lange.

## DOWNTOWN SOUNDS

With the revitalization of the 6th Street buildings in downtown Concordia, the wired speaker system was cut in multiple places and no longer in use. The Community Foundation for Cloud County supported the community improvement with a grant that assisted in purchasing and installing a new wireless speaker system. The new system consists of 20 speakers that cover a 4-block span of Concordia's business district. The speakers offer live streaming of audio for ambient background music, seasonal music, festivals and parades.

During concerts or movies at Concordia's Broadway Plaza, the Mobile Master transmitter can be relocated to the site and connect to the equipment to send a live feed downtown, potentially attracting patrons to the plaza. "This was a wonderful project that gave new life to downtown Concordia. It also inspired others in the community to give to the project, and we cannot thank you enough for giving us the boost we needed to get this project done," said grantee Heather Gennette.

## LIFETIME HUNTING AND FISHING

To encourage youth to spend time outdoors and understand the importance for habitat conservation, Cloud County Ducks Unlimited gives away one lifetime hunting and finishing license to a greenwing attendee at their annual conservation banquet. The Community Foundation for Cloud County was able to support the organizations mission, by sponsoring one of the licenses. Cade Anderson was the 2019 attending greenwing member awarded with the license. This allows Cade to hunt or fish in Kansas throughout his lifetime, even if he no longer resides in Kansas. "You can always tell how excited the winners of these licenses are by their huge smiles and beaming faces," said grantee Joshua Meyer.
